## Welcome To Room 7:7

Written by: Tessie Kabbes, Religion Teacher

With the addition of our High School Chapel in 2008, it became apparent that we needed to further develop our campus ministry services. Discussions quickly started taking place about identifying a location that could exclusively serve the needs of campus ministry. Whereas the chapel provided prayer opportunities, we needed a place for students to gather in fellowship. Permission was soon granted to convert a storage room in the high school into a campus ministry room and student lounge. However, without anything in the budget for this kind of thing we needed to start looking for help and generous donors.

Over the following nine months, it was unbelievable how things fell into place. Fifth Third Bank and Helen Matthes Library generously donated their old furniture. With the 'Rise to the Challenge' fundraiser in full swing, we decided to take a low key approach and only approach certain individuals that we knew were interested in developing campus ministry. We are so grateful for their generosity.

The feel of a coffee shop/internet cafe gives the students an opportunity to come and hang out at designated school times. Fully equipped with a microwave, refrigerator, and bar, this gathering place is a perfect place for lunch meetings. With the intent to use after school as well, we have a media

center that allows cable, movies and internet to be projected onto a 12 foot dual purpose white board. There is also a functioning confessional that will be offered for students and faculty. This spiritual environment enables the students to grow in their faith and share in fellowship with one another.

With the room fully furnished, we needed a catchy name with significant meaning. Following the inspiration and message from Matthew 7:7 "Ask and it will be given to you, seek and you will find, knock and the door will be opened to you", the area was named 'Room 7:7'. This passage aligns well with the faith sharing purpose of the room and campus ministry.

## A LETTER FROM THE PRINCIPAL

The past school year and the start of this year have done nothing but reassure me that there is not a better educational choice than a vibrant, Catholic High School. While I'm certainly not naïve to the fact that improvements can always be made, the students that walk these halls and the graduates that speak so highly of St. Anthony speak volumes about the educational value. Thank you for being part of this mission and for your continued support.

We have some new initiatives that you can support through your prayers and discussions with community members as we continue to build upon the rich tradition of St. Anthony High School. Room 7:7 is a wonderful addition to our high school and will enhance the St. Anthony experience. Our Annual Fund has kicked off and your financial support enables us to continue offering a Catholic high school education for anyone interested. This is also a great time to reach out to any families that may be thinking of joining us at St. Anthony High School.

We pray that God continues to bless our high school through increased enrollment. Please let us you know if you know of a family that may possibly be interested in attending St. Anthony High School. We would love to reach out to them and offer an invitation to our Open House or offer a personal tour.

Sincerely,

*Greg Fearday*

### Senior Etiquette Luncheon

The sixth annual Senior Etiquette / Career Day Luncheon was held on Thursday, October 3, 2013 at the St. Anthony Parish Center with alumni Scott Kabbes ('79) as distinguished emcee. The purpose of the luncheon is to offer seniors an opportunity to learn etiquette standards associated with dinner meetings, interview dress and meet / greet fundamentals. The luncheon paired 5-7 students with a community / business leader per table. Students dressed in business / interview attire, learned of proper luncheon etiquette from emcee Kabbes, and mirrored those skills during their meal with their community / business leader. At the end of the luncheon, student representatives from each table shared a "take-away" moment that they would most remember from the luncheon. Best of luck to our seniors during their upcoming college and business interviews!
