From the Principal

You may have noticed a change to the St. Anthony High School logo on the newsletter this issue. I'm happy to share that this isn't all that has changed!

This spring, Fr. Al Allen announced a new Mission, Vision and Values for St. Anthony Parish. These updates are a result of a Diocesan Synod held in 2017, and followed by a variety of reflections and workshops led by Fr. Allen and Fr. Mark Tracy in 2020. Over the course of the past two years, it was determined that it was time to update the 15-year old parish mission statement. As a result, an updated mission, vision and set of values has been established to be more intentional in building up the faith and energizing those within our parish, schools and community.

Our new mission statement:

To form lifelong, intentional disciples of Jesus Christ within His Church

In considering the full scope of becoming a total stewardship and discipleship parish, we also looked to our current logos and determined that they should better reflect our new mission. The new logos provide a fresh look for our parish and schools while identifying our school as Catholic and an extension of the parish.

Look for ongoing updates to our high school campus that reflect and actively support our commitment to this intentional discipleship. Please visit the website www.stanthony.com/brand to learn more. After reviewing these updates, we pray you, too, find yourself asking, "How can I become more intentional?"

And finally, I want to continue to express my deepest gratitude for your unwavering and intentional support of our high school and students. On behalf of our staff, current students and recent graduates, your prayers, volunteer hours, financial gifts, and vocational examples are very much appreciated!

Sincerely in Christ,
Greg Fearday,
Principal

Spring Sports Scoreboard

Baseball

The 2022 Spring Baseball team, coached by Tony Kreke, finished their season with a record of 19-9. The team captured a regional title, but fell to Windsor/Stew-Stras in Sectional play.

The team's strength was their pitching, led by Colton Fearday and Eli Levitt. The team had a lot of young guys step up and play significant roles. Our 5 seniors: Colton Fearday, Angelo Mendella, Josh Blanchette, Brody Niebrugge, and Eli Link led the program with great leadership and showed the underclassmen what it means to be great teammates. We wish the seniors the best of luck in their future endeavors.

Our Spring baseball awards are as follows: MVP- Eli Levitt, Most Valuable Offensive Player- Eli Levitt, Most Valuable Defensive Player - Angelo Mendella, Most Valuable Pitcher - Colton Fearday, Most Improved Player - Beau Adams, and Highest Quality at Bat % - Eli Link. We look forward to the fall season as we have several returning players to make a run at the conference championship.

Boys Tennis

The boys tennis team, coached by Darlene Esker and Jay Niebrugge, had a strong season with a team record of 14 wins, 3 losses and 1 tie.

The 2022 season was cold, windy, and rainy. St Anthony proved they could work through the obstacles and have a strong winning season.

Season highlights included finishing Second in the Mattoon Tournament, and winning the Championship in the Robinson doubles tournament.

The team also won a Sectional Championship in Centralia by beating Mascoutah by 1 point. Manaye Mossman placed second in singles, while Henry Kemme and Aiden Tegeler finished second in doubles. Manaye, Henry, and Aiden all advanced to state competition.
